Question: What does "10 Reasons I Love You" say? What are the 10 reasons?

Answer: The 10 Reasons are 10 sentiments of tender respect that are uplifting, healing, and loving. Here's exactly what this gift booklet says inside its 24 beautifully designed pages:

Dear Mother, I love you because ...

You gave me the most precious gifts, gifts that no amount of money could ever buy.

You gave me my first insights on the power of unconditional love.

You were there when I took some of my first few awkward steps.

You allowed me to dream.

You taught me the meaning of goodness.

You brought me to this world and all its possibilities.

Dear Mother, I love you because you're you, and you allowed me to be me.

Because you gave me all you could based on your experiences and circumstances, and I could never ask or hope for anything more.

Because you've worried about me more than I'll ever know, and because you've given me more than I can ever say.

And I love you because ...

You've allowed me the tremendous honor of being your child.

There are some things that we all should say to our Mothers at some point during our lifetimes. So why not say it now?
