Come On In!

Charles Bukowski

Come On In! Charles Bukowski

another comeback

climbing back up out of the ooze, out of
the thick black tar,
rising up again, a modern
Lazarus.
you're amazed at your good
fortune.
somehow you've had more
than your share of second
chances.
hell, accept it.
what you have, you have.
you walk and look in the bathroom
mirror
at an idiot's smile.
you know your luck.
some go down and never climb back up.
something is being kind to you.
you turn from the mirror and walk into the
world.
you find a chair, sit down, light a cigar.
back from a thousand wars
you look out from an open door into the silent
night.
Sibelius plays on the radio.
nothing has been lost or destroyed.
you blow smoke into the night,
tug at your right
ear.
baby, right now, you've got it
all.

From reader reviews:

Abram Huffman:

Now a day those who Living in the era exactly where everything reachable by talk with the internet and the resources included can be true or not need people to be aware of each data they get. How individuals to be smart in having any information nowadays? Of course the answer is reading a book. Studying a book can help individuals out of this uncertainty Information specially this Come On In! book because book offers you rich facts and knowledge. Of course the info in this book hundred per cent guarantees there is no doubt in it everbody knows.

Deborah Beaudry:

People live in this new moment of lifestyle always try to and must have the free time or they will get lot of stress from both day to day life and work. So , once we ask do people have spare time, we will say absolutely without a doubt. People is human not a robot. Then we ask again, what kind of activity are there when the spare time coming to an individual of course your answer will probably unlimited right. Then do you try this one, reading textbooks. It can be your alternative inside spending your spare time, typically the book you have read will be Come On In!.

Pauline Bardwell:

Playing with family within a park, coming to see the water world or hanging out with buddies is thing that usually you could have done when you have spare time, and then why you don't try factor that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Come On In!, you could enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't get it, oh come on its referred to as reading friends.

Janice Evans:

Are you kind of hectic person, only have 10 or even 15 minute in your day time to upgrading your mind talent or thinking skill also analytical thinking? Then you are having problem with the book than can satisfy your short period of time to read it because all of this time you only find book that need more time to be learn. Come On In! can be your answer mainly because it can be read by an individual who have those short spare time problems.
