As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
