Stuck in the mundane world of to-do lists and career responsibilities, Josh and Isabel, married for 5 years, decide to celebrate their wedding anniversary away from the cacophony of the city and their busy professional lives. But to add a little twist to their anniversary celebration, the couple agrees to give each other something that can't be purchased, but rather something far more creative and erotic that only the two of them could provide to each other. This idea turns out a success, as things really heat up when Isabel and Josh execute their own erotic plans to bring each other's fantasies alive by selecting the most perfect gift for their partner.
