Redemption has a high price. Sometimes, it can only be paid in blood. Haunted by the ghosts of his past, George Mackey faces the demons of the present as he and Sharon Price struggle to keep their relationship and love intact. The saga that began in 'Eyes of the Predator' comes full circle, reuniting Mackey with Lyn and Clay, the characters that were at the center of events in the first book of The Hunters Series.

Enlisted by Cy Purcell to find them and thwart the kidnapping and murders of Clay and Lyn, George embarks on a hunt that calls into play all of his investigative skills and experience. His dedication and sacrifice take him down paths few others would tread.

'Fire and Blood' is a suspense thriller that contrasts the darkness of the human experience with the inherent goodness and light in most of humanity. Along the way, George and the other the lost souls of the story face their demons and find their redemption.
