Just a Mom

Betty DeGeneres

Just a Mom Betty DeGeneres

For many gay men and lesbians, Betty DeGeneres, the mother of actress Ellen DeGeneres has come to represent the mother stolen from them by homophobia. For many parents she has provided the inspiration to reconcile with their own children. In her new book, *Just a Mom*, Betty talks directly to parents, children, friends, teachers, employers, and politicians in a straightforward and heartfelt manner on homophobia and the destruction it causes in loving families and society at large. She counsels parents on how to react when their child tells them he or she is gay. She advises children on how to tell their parents and when. And, most importantly, she shows how to cross the divide of intolerance so families can be whole again. Now an activist and a national figure, Betty DeGeneres is a mother first, and in *Just a Mom* she is calling for love, compassion, and reconciliation for all gay men, lesbians, and their families from the bottom of a mother's heart.

Betty DeGeneres first gained national attention when her daughter Ellen came out on national television. Her first book, *Love Ellen; A Mother Daughter Journey*, told the story of her own journey to acceptance, pride, and finally activism. As a spokesperson for the Human Rights Campaign, Betty speaks extensively on behalf of greater tolerance for gay men and lesbians, and writes an advice column on issues of coming out on *PlanetOut*.

From reader reviews:

Mary Johnson:

Information is provisions for those to get better life, information today can get by anyone at everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is within the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen within you if you take Just a Mom as your daily resource information.

Shawn Marsh:

This book untitled Just a Mom to be one of several books that best seller in this year, honestly, that is because when you read this reserve you can get a lot of benefit upon it. You will easily to buy this particular book in the book shop or you can order it by using online. The publisher in this book sells the e-book too. It makes you quicker to read this book, since you can read this book in your Touch screen phone. So there is no reason to you to past this guide from your list.

Angela Babb:

Your reading sixth sense will not betray a person, why because this Just a Mom guide written by well-known writer we are excited for well how to make book that can be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and producing skill only for eliminate your hunger then you still question Just a Mom as good book not just by the cover but also by the content. This is one guide that can break don't ascertain book by its handle, so do you still needing a different sixth sense to pick that!?! Oh come on your examining sixth sense already alerted you so why you have to listening to a different sixth sense.

Aida Zambrana:

This Just a Mom is great reserve for you because the content which is full of information for you who always deal with world and possess to make decision every minute. This kind of book reveal it details accurately using great plan word or we can state no rambling sentences in it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but difficult core information with wonderful delivering sentences. Having Just a Mom in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen second right but this book already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt which?
