Models of Revelation

Avery Dulles

Models of Revelation Avery Dulles

In *Models of Revelation* Avery Dulles explores the doctrine at the very center of Christianity: that Christianity is based on the world of God as given to the church. Following the format of his earlier *Models of the Church*, Dulles derives five models of character of this much-neglected theme of revelation. He considers revelation as doctrine, as history, as inner experience, as dialectical presence, and as new awareness.
