The Land at the End of the World: A Novel

António Lobo Antunes

The Land at the End of the World: A Novel António Lobo Antunes

“Brilliant . . . harrowing. . . Packs the impact of an exploding mortar shell.” Kai Maristed, *Los Angeles Times*

In the tradition of William Faulkner and Gabriel García Márquez, one of the twentieth century’s most original literary voices offers “kaleidoscopic visions of a modern Portugal scarred by its Fascist past and its bloody colonial wars in Africa” (*Paris Review*). Hailed as a masterpiece of world literature, *The Land at the End of the World* in an acclaimed translation by Margaret Jull Costa recounts the anguished tale of a Portuguese medic haunted by memories of war. Like the Ancient Mariner who will tell his tale to anyone who listens, the narrator’s evening unfolds like a fever dream that is both tragic and haunting. The result is one of the great war novels of the modern age.
