Here's a Sing 'N Move Book You and Your Child Will Love! Six Baby Genius characters join together in this lively, interactive book to show kids how to move when they sing this popular children's song.

All six Baby Genius characters show children how to move to the popular song The Wheels on the Bus Go 'Round and 'Round. When they sing “the wipers on the bus go swish-swish-swish,” children can move their hands from side to side like windshield wipers! Each character cleverly illustrates how to move hands and arms to simulate the actions throughout the book. What makes this book so much fun is that the children will be singing, learning, and moving with their favorite Baby Genius characters!
