**Three Men In A Boat (To Say Nothing Of The Dog...)** Jerome K. Jerome

Three Men in a Boat (To Say Nothing of the Dog...), published in 1889, is a humorous account by Jerome K. Jerome of a boating holiday on the Thames between Kingston and Oxford. The book was initially intended to be a serious travel guide, with accounts of local history along the route, but the humorous elements took over to the point where the serious and somewhat sentimental passages seem a distraction to the comic novel. One of the most praised things about **Three Men in a Boat** is how undated it appears to modern readers - the jokes seem fresh and witty even today.
