Left for dead in the middle of the vast, wild Grand Canyon, Ruby Lucas is losing the battle to survive. After days without food and very little water, Ruby's time is running out. Just as it looks like all is lost, a tall, dark stranger might be her only hope...

When Native American tracker Jase Rivers is called in by the FBI to help find a missing woman in the canyon, he doesn't have much hope he'll find her alive. However, as Jase quickly finds out, lovely and vibrant Ruby is full of surprises.

Ruby will have to rely on Jase if she wants to make it out of the canyon alive, but stoic, unflappable Jase doesn't realize how much he'll come to rely on Ruby as well. This unlikely couple might find that something beautiful can grow and flourish where least expected...

Flower in the Desert is a hot and steamy standalone novella complete with HEA.
