Greg Field

Harley-Davidson Softail (Motorcycle Color History) Greg Field

Harley-Davidson's Softail line is one of Harley's best-selling series, and in fact is one of the most popular large-displacement motorcycle series in the world. No question, the Softail defines the cruiser genre, the best-selling segment in the U.S. motorcycle market. Combine the bikes' popularity, their beautiful design, and the relative few books on the subject, and Harley-Davidson Softail is the perfect choice for Harley enthusiasts. This Softail bible discusses the story behind the original Softail chassis, built and marketed by Bill Davis before being purchased by Harley, and continues by focusing on the various Softail models, such as the Heritage, Springer, Fat Boy, and the latest Softail series, which uses the innovative dual counterbalanced Twin Cam 88B engine.
