Kindred Spirits is a novel that provokes the mind to think beyond the boundaries of what we know little of, or perhaps choose to believe. It will take the reader on a journey down a path much less traveled--..Jasmine Starr worked hard to make her modeling business, "Raw Silk," a success. After her divorce she became obsessed with her career, choosing to remain as unattached and unapproachable as humanly possible; until one day when she was already running behind schedule for an interview with a young woman named Alexia. She quickly boarded the elevator to the fifteenth floor where her office was. The elevator suddenly jolted forward, and a moment later a woman appears, but vanishes completely. Jasmine is visibly shaken as she arrives to her office. She is expecting to meet with Alexia, but instead she encounters Agent Lucas Knight from the FBI. Attractive and over confident, Lucas proves to be emotionally dangerous right from the start. He tells Jasmine that Alexia was murdered the day before, her body dumped in a wooded area out of State. She had Jasmine's calling card in her pocket. Jasmine is shocked and wants to help the FBI agent, despite his suspicious treatment of her. At least she was willing to help until she sees Alexia's picture--..Join Jasmine as she launches her unforgettable adventure that will take her from Chicago, to Venice, Italy and the Swiss Alps. She will unveil truth, treachery, deception and evil; but she will also discover love.
