Millions watched the author's televised seance to contact Princess Diana, and now you can follow his introduction to nurturing your own psychic abilities. Start with exercises to open your mind to the other side. Learn about telepathy, clairvoyance, precognition, and psychokinesis as well as clairsentience, and clairaudience. Explore the worlds of aura exercises, chakras, alpha and delta waves, and guides and trace communication. Fascinating photos and diagrams show images of hands with the aura's light flowing between the fingers, and of seating positions during a séance.
