**“You’ve been waiting for this, haven’t you, sweetheart?” he whispers, and he grabs me by the hips...**

Tobi's train line is the most popular in the country, and it's all because of her bombshell curves, sexy smile and willingness to take even the most demanding of customers for a ride.

Tonight's express is a little different, though—Tobi has done all sorts of dirty, devious things on the train, but she's never had **a group of wealthy, powerful stallions** like this before. They paid a premium for their tickets, and they're going to get their money's worth out of the trip. She's going to be at the mercy of an entire pack of lust-filled alpha men, taken like she's never been taken before, and she can't wait for the fun to start!
