George R. R. Martin, Elio Garcia, Linda Antonsson

The World of Ice & Fire: The Untold History of Westeros and the Game of Thrones George R. R. Martin, Elio Garcia, Linda Antonsson

The never-before-seen history of Westeros and The Lands Beyond with hundreds of pages of all-new material from George R.R. Martin.

If the past is prologue, then George R. R. Martin's masterwork - the most inventive and entertaining fantasy saga of our time - warrants one hell of an introduction. At long last, it has arrived with *The World of Ice & Fire*.

This volume is a comprehensive history of the Seven Kingdoms, providing vividly constructed accounts of the epic battles, bitter rivalries, and daring rebellions that lead to the events of *A Song of Ice and Fire* and HBO's *Game of Thrones*. In a collaboration that's been years in the making, Martin has teamed with Elio M. García, Jr., and Linda Antonsson, the founders of the renowned fan site Westeros.org - perhaps the only people who know this world almost as well as its visionary creator.

Collected here is all the accumulated knowledge, scholarly speculation, and inherited folk tales of maesters and septons, maegi and singers, including:

- Full family trees for Houses Stark, Lannister, and Targaryen
- In-depth explorations of the history and culture of Westeros
- 100% all-new material, more than half of which Martin wrote specifically for this book

The definitive companion piece to George R. R. Martin's dazzlingly conceived universe, *The World of Ice & Fire* is indeed proof that the pen is mightier than a storm of swords.
