THREE STRIKES AND YOU'RE DEAD Michael A. Draper

Baseball goes on strike, and the fans are not happy. A chat room group "Friends against the baseball strike" rants against the astronomical salaries and greed of the players who have ruined the game for the everyday fans. One member, "The Vindicator" decides to take action to end the strike, and soon some of the highest paid baseball players are being murdered. Who will be next? Can the murderer be stopped? The action and suspense build as the FBI and a trio of clever amateur investigators rush around the country trying to predict where the murderer will strike next, and to discover his identity. This thoroughly modern page turner uses social media in unexpected ways and will keep you enthralled until the last page.
