They have the good love and then there's that hood love. After Todd hurt her to her core Mona-Lisa though she would never love again but when she met Delano her whole world did a tailspin. She didn't quite know what to do with his love but a bad decision changed that. Todd had to learn the hard way about screwing her over but the streets teach their own lessons. What happens when old wounds are opened, lies are revealed, and lines are crossed? The streets of Atlanta just got hotter and it has nothing to do with the temperature. Will Mona-Lisa have to let go of both of the men she has loved or will she get to take that walk into the sunset? Heaven knows how their story will end but you better believe there will be hell all the way.
