God, Where Are You When I Need You?: An Atheist's Search for Faith and Healing Dana Watts

Dana Watts was a life-long atheist who believed that science and reason had all the answers, and self-reliance was the way to health and happiness. But when she was diagnosed with breast cancer, her beliefs were shaken to their core, leaving her disoriented, afraid, and hopeless. So begins a deeply personal search for spiritual meaning and faith. For guidance, she turned to an unexpected source: clergy and people of faith who dedicated their life to God. Through her conversations with them, she takes us on a journey that starts with atheism and fear and ends with hope and faith, a journey that is both enlightening and inspiring.
