## **Long Division** Kiese Laymon

Kiese Laymon's debut novel is a Twain-esque exploration of celebrity, authorship, violence, religion, and coming of age in Post-Katrina Mississippi, written in a voice that's alternately funny, lacerating, and wise. The book contains two interwoven stories. In the first, it's 2013: after an on-stage meltdown during a nationally televised quiz contest, 14-year-old Citoyen "City" Coldson becomes an overnight YouTube celebrity. The next day, he's sent to stay with his grandmother in the small coastal community of Melahatchie, where a young girl named Baize Shephard has recently disappeared.

Before leaving, City is given a strange book without an author called "Long Division." He learns that one of the book's main characters is also named City Coldson—but "Long Division" is set in 1985. This 1985 City, along with his friend and love-object, Shalaya Crump, discovers a way to travel into the future, and steals a laptop and cellphone from an orphaned teenage rapper called...Baize Shephard. They ultimately take these with them all the way back to 1964, to help another time-traveler they meet protect his family from the Klan.

City's two stories ultimately converge in the mysterious work shed behind his grandmother's, where he discovers the key to Baize's disappearance.

### From reader reviews:

#### **Mary Conley:**

What do you with regards to book? It is not important along with you? Or just adding material when you need something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question mainly because just their can do that. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this Long Division to read.

#### **Rene Moore:**

The reason why? Because this Long Division is an unordinary book that the inside of the publication waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining way but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This excellent book will give you a lot of benefits than the other book have got such as help improving your expertise and your critical thinking approach. So , still want to hold up having that book? If I ended up you I will go to the guide store hurriedly.

#### **Judy Marinez:**

Long Division can be one of your beginner books that are good idea. Most of us recommend that straight away because this guide has good vocabulary that will increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The copy writer giving his/her effort to place every word into delight arrangement in writing Long Division although doesn't forget the main point, giving the reader the hottest in addition to based confirm resource info that maybe you can be among it. This great information may drawn you into completely new stage of crucial pondering.

#### **Phillip Elliott:**

As we know that book is essential thing to add our knowledge for everything. By a reserve we can know everything you want. A book is a list of written, printed, illustrated or even blank sheet. Every year had been exactly added. This book Long Division was filled concerning science. Spend your time to add your knowledge about your research competence. Some people has different feel when they reading the book. If you know how big selling point of a book, you can feel enjoy to read a e-book. In the modern era like at this point, many ways to get book that you wanted.
