Love can come into your life in the form of an old friend...or as two new ones!

Never Been Kissed

Shelly needs to make some changes—and not just to her appearance.

Christian has been lusting after Shelly for a while, but when Lance sets his sights on the blonde as well, the two friends come up with an erotic answer to their dilemma.

Say Something

Georgie needs to make amends, especially to ex-fiancé number three, whom she literally left at the altar.

Nick has spent a year failing to get over Georgie. And his heart is ready to jump out of the frying pan to get close to her fire...even if it means risking another burn.

Warning: There is a chance this story will encourage you to begin an intense exercise regime. As Georgie would tell you, sex is a great way to burn calories.
