Out of the Cold J.J. Hamilton

Plagued by guilt over her own desires, one young woman is forced to face who she is and how she feels when she finds herself undeniably attracted to another woman. J.J. Hamilton presents a moving, passionate romance of two strangers who find they have something in common – each other. *Out of the Cold* will be a welcome addition to your contemporary romance library.

Leah is a runaway, alone in the world by her own choice. Ashamed of her own desires and afraid of what they mean, she tries to force herself to change. Brilliant yet naive, sweet yet shy, resilient yet timid, she sinks deeper and deeper into misery.

Until she meets Mel.

Mel is everything Leah is not: experienced, bold, successful, and, above all, comfortable. Drawn to Leah's kind nature and sad story, Mel tries desperately to help Leah make peace with herself, overcome her fear, and come out of the cold.
