**Rolling Stone: Special Collector's Edition; Paul McCartney [The Ultimate Guide to His Life and Music]** Rolling Stone

This is a softcover special collector's edition all about Paul McCartney from his early days pre Beatles all the way up to the present. There are some great photographs, many that I myself have never seen. There are many interesting subsections dealing with various aspects and phases of his life. It is a great coffee table book, would make a great gift, or great for a fan or collector.
