The Mode in Hats and Headdress: A Historical Survey with 198 Plates (Dover Fashion and Costumes)

R. Turner Wilcox

A year after R. Turner Wilcox received rave reviews for her ultimate fashion reference, *The Mode in Costume*, she decided to zero in on one chic category to give it the close-up it deserved. The result is this extraordinary handbook that covers the worldwide evolution of almost five thousand years of hats, hairstyles, and headdress for both sexes. Since ancient times, men and women have used hats and headgear for everything from adornment and protection to establishing their rank in society. With hundreds of illustrations and fascinating text, this comprehensive survey extends from 3000 B.C. to mid-twentieth century. The showcase depicts an astonishing range of women's styles — Egyptian headdresses, Spanish mantillas, French straw sailor hats, buckle-trimmed tam-o-shanters, wedding veils, bonnets, snoods, and jeweled crowns. Men's headwear includes feather-trimmed turbans, soldiers' helmets, cowboy hats and top hats, derbies and boaters, berets, sombreros, and Homburgs. Hairstyles run the gamut as well: ringlets, topknots, and spit curls, ponytails, pageboys, and poodle cuts, as well as pompadours, mutton chops, and crew cuts. With delightful details on jewelry, cosmetics, and beauty treatments, this is a unique reference that fashion designers, stylists, and historians will treasure.
