TRAVELOGUES SEEKING WISDOM WITH A SENSE OF HUMOUR CLIVE WALKER

Travelogues - Seeking Wisdom with a Sense of Humour (Previously known by the title - Seeking Wisdom on a day by day basis) is a collection of short and amusing travel stories with each story recounting actual events that occurred on a variety of day trips. These entertaining stories (designed to both enlighten and raise a smile) recall days spent out and about in various European countries and in the UK. I travel on foot, by bike and by plane and in each story narrate the actual happenings that occurred on that particular day. Based on fact with precious little embellishment (really) each account will hopefully deliver, in an amusing and funny way, insights into who and what we are and how life experiences can often edify even when we least expect them to.

Each compilation has its own subject matter and includes topics such as belief systems, problem solving skills, thinking negatively, and a bit of self-censure. Although the topics may sound a little highbrow the actual narratives attempt to lighten the mood. The stories are, therefore, a mixture of the inevitable questions, answers and revelations yet blended with some memorable encounters and punctuated with more than a sprinkling of humour - yes honestly !!

Even a search for wisdom, insight and enlightenment can produce, along its path, moments of hilarity. If in doubt read on

NB In choosing to write the narratives in a comical and entertaining style I have included the occasional use of expletives and swear words. It is not my intention to offend rather to bring about a smile or two. If you choose to download and read this book a 'review' would be very much appreciated.
