What Photography Is

James Elkins

What Photography Is James Elkins

In *What Photography Is*, James Elkins examines the strange and alluring power of photography in the same provocative and evocative manner as he explored oil painting in his best-selling *What Painting Is*. In the course of an extended imaginary dialogue with Roland Barthes's *Camera Lucida*, Elkins argues that photography is also about meaninglessness--its apparently endless capacity to show us things that we do not want or need to see--and also about pain, because extremely powerful images can sear permanently into our consciousness. Extensively illustrated with a surprising range of images, the book demonstrates that what makes photography uniquely powerful is its ability to express the difficulty--physical, psychological, emotional, and aesthetic--of the act of seeing.

From reader reviews:

Sandra Yunker:

As people who live in often the modest era should be update about what going on or info even knowledge to make them keep up with the era which can be always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to an individual is you don't know what kind you should start with. This What Photography Is is our recommendation to help you keep up with the world. Why, as this book serves what you want and wish in this era.

Andre Rosier:

The feeling that you get from What Photography Is is a more deep you excavating the information that hide within the words the more you get serious about reading it. It does not mean that this book is hard to comprehend but What Photography Is giving you enjoyment feeling of reading. The writer conveys their point in a number of way that can be understood by anyone who read it because the author of this reserve is well-known enough. This particular book also makes your own vocabulary increase well. So it is easy to understand then can go to you, both in printed or e-book style are available. We suggest you for having this What Photography Is instantly.

Robin Harvey:

Information is provisions for people to get better life, information these days can get by anyone on everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is inside former life are challenging be find than now is taking seriously which one would work to believe or which one the actual resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take What Photography Is as your daily resource information.

Douglas Ham:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this What Photography Is can make you really feel more interested to read.
