College is different from any other time of your life. You acquire a demanding new schedule, develop lifelong friendships, gain fresh perspectives on life, and face unique challenges. The College Devotional Bible will help you strengthen your walk with God as you find your own way in life. Two things make this Bible ideal for today's student: its innovative reading plan and its storytelling approach. The reading plan includes twelve months of devotions separated into readings for the school year and the summer months. The College Devotional Bible is also filled with stories that connect the Scriptures with the struggles, questions, and decisions every young person faces. It's the same approach Jesus used in his parables---taking stories from everyday life to illustrate eternal truths. Features: \* 222 school-year devotions highlight an interesting theme and encourage Scripture reading \* 90 summer reading notes written by college students illustrate what they've learned about God, life as a Christian, or a specific Bible verse \* Unique storytelling approach for devotions along with application statements, questions for reflection, and more \* Includes the full text of Today's New International Version---timeless truth in today's language
