Homecoming

Belva Plain

Homecoming Belva Plain

With unerring insight and emotional power, Belva Plain, in her extraordinary novel, tells the story of a family divided and of the proud matriarch who takes a bold last stand to unite her warring children in what may be their last *Homecoming*.

It is a crisp December day when Annette Byrne walks to the end of her long, curving driveway and drops five sealed envelopes into the mailbox, quickly, before second thoughts stay her hand. Shortly thereafter, with the holidays approaching, her estranged family will be gathered at her country estate for the first time in years.

The sons. . . two brothers embittered by a breach of ethics, honor, and trust. The grandchildren. . . one young couple on the verge of divorce; another, lovingly united against the parents who have tarnished their lives. As the ill-fated meeting hurtles toward a bitter and abrupt conclusion, not even Annette Byrne's indomitable will can heal the rift--until a shattering event alters the landscape forever.

From the Paperback edition.

From reader reviews:

Lori Morgan:

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each reserve has different aim or perhaps goal; it means that reserve has different type. Some people sense enjoy to spend their time to read a book. They may be reading whatever they have because their hobby is actually reading a book. How about the person who don't like looking at a book? Sometime, man feel need book when they found difficult problem or even exercise. Well, probably you will want this Homecoming.

Susan Belcher:

Do you like reading a book? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But any people feel that they enjoy intended for reading. Some people likes looking at, not only science book and also novel and Homecoming or maybe others sources were given understanding for you. After you know how the truly amazing a book, you feel would like to read more and more. Science guide was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In different case, beside science reserve, any other book likes Homecoming to make your spare time a lot more colorful. Many types of book like here.

Lois Wiggins:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Homecoming can make you sense more interested to read.

Doris Blair:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person including reading or as looking at become their hobby. You should know that reading is very important as well as book as to be the matter. Book is important thing to include you knowledge, except your own teacher or lecturer. You will find good news or update concerning something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is actually Homecoming.
