Sequel to One Night With a Stranger, Book 2 in the Evolution series.

Betrayal. Just like that everything I had built, my entire life, was falling apart. My world threatened to collapse beneath me, and it looked as if there wasn't a damn thing I could do to stop it. But the worst part was I was going to lose Elizabeth. She loved being dominated, and she was beautiful in her submission, passionate under my control. But she found my secrets. My past fell open at her feet. I'd do whatever it took to keep her, even give up control.
