## **The End of Reason: A Response to the New Atheists** Ravi Zacharias

When you pray, are you talking to a God who exists? Or is God nothing more than your “imaginary friend,” like a playmate contrived by a lonely and imaginative child? When author Sam Harris attacked Christianity in Letter to a Christian Nation, reviewers called the book “marvelous” and a generation of readers?hundreds of thousands of them?were drawn to his message. Deeply troubled, Dr. Ravi Zacharias knew that he had to respond. In The End of Reason, Zacharias underscores the dependability of the Bible along with his belief in the power and goodness of God. He confidently refutes Harris’s claims that God is nothing more than a figment of one’s imagination and that Christians regularly practice intolerance and hatred around the globe. If you found Sam Harris’s Letter to a Christian Nation compelling, the book you are holding is exactly what you need. Dr. Zacharias exposes “the utter bankruptcy of this worldview.” And if you haven’t read Harris’ book, Ravi’s response remains a powerful, passionate, irrefutably sound set of arguments for Christian thought. The clarity and hope in these pages reach out to readers who know and follow God as well as to those who reject God.

### **From reader reviews:**

#### **Alan Williams:**

Nowadays reading books be a little more than want or need but also turn into a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book that improve your knowledge and information. The information you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want really feel happy read one with theme for entertaining for example comic or novel. The actual The End of Reason: A Response to the New Atheists is kind of book which is giving the reader unstable experience.

#### **Micheal Mata:**

Exactly why? Because this The End of Reason: A Response to the New Atheists is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I were you I will go to the book store hurriedly.

#### **Alejandro Colon:**

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The End of Reason: A Response to the New Atheists can make you feel more interested to read.

#### **Mary Clement:**

What is your hobby? Have you heard in which question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And you also know that little person just like reading or as looking at become their hobby. You need to understand that reading is very important and also book as to be the matter. Book is important thing to increase you knowledge, except your teacher or lecturer. You discover good news or update about something by book. Numerous books that can you go onto be your object. One of them is actually The End of Reason: A Response to the New Atheists.
