The Stranger Harlan Coben

#1 *New York Times* bestselling master of suspense Harlan Coben delivers his most shocking thriller yet, proving that a well-placed lie can help build a wonderful life—and a secret has the same explosive power to destroy it.

The Stranger appears out of nowhere, perhaps in a bar, or a parking lot, or at the grocery store. His identity is unknown. His motives are unclear. His information is undeniable. Then he whispers a few words in your ear and disappears, leaving you picking up the pieces of your shattered world.

Adam Price has a lot to lose: a comfortable marriage to a beautiful woman, two wonderful sons, and all the trappings of the American Dream: a big house, a good job, a seemingly perfect life.

Then he runs into the Stranger. When he learns a devastating secret about his wife, Corinne, he confronts her, and the mirage of perfection disappears as if it never existed at all. Soon Adam finds himself tangled in something far darker than even Corinne's deception, and realizes that if he doesn't make exactly the right moves, the conspiracy he's stumbled into will not only ruin lives—it will end them.

From the Hardcover edition.

From reader reviews:

James Shafer:

In this 21st millennium, people become competitive in every single way. By being competitive today, people have to do something to make these people survive, being in the middle of typically the crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated it for a while is reading. That's why, by reading a reserve your ability to survive increase then having chance to stay than other is high. To suit your needs who want to start reading any book, we give you this particular The Stranger book as beginning and daily reading reserve. Why, because this book is usually more than just a book.

Kim McLoughlin:

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with training books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. The The Stranger is kind of guide which is giving the reader unstable experience.

Daniel Hartung:

Reading a guide tends to be new life style on this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only situation that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors in this world always try to improve their skill in writing, they also doing some study before they write to their book. One of them is this The Stranger.

Karen Saldivar:

Typically the book The Stranger has a lot associated with on it. So when you check out this book you can get a lot of help. The book was written by the very famous author. The author makes some research prior to write this book. This particular book very easy to read you can find the point easily after looking over this book.
