Ella:

They say it all the time - in the blink of an eye your life can change forever - I just never thought it would happen to me. When I walked through that restaurant door and saw his face etched with the most unbearable, monstrous suffering, I didn't know that my life would never be the same again. Suddenly this complicated beast erased the staleness of my terribly dull life and replaced it with excitement, danger and knowledge. He took me to places sexually unimaginable and I'm deliciously addicted. Everything is perfect, well almost. If only I could take away his pain...

Dominic:

I never wanted her to see me like she did, all broken up and vulnerable, but seeing her made it all erupt like lava from a volcano. She should have just walked away, but she didn't. She thinks she can fix the pain. But not even her incredible magic can conjour up a potion to remedy that. Or can it?
