Can you imagine an employee of your company coming up with an idea that has a 38 to 1 ROI? Or better yet, can you imagine all of them doing so? This book lays out the steps that are needed to allow a company to achieve the phenomenal results of the typical War on Waste program. A 38 to 1 ROI on the audited results of 23 companies that participated in the program. Over 150 companies have already seen these results. The author lays down the 6 steps of the War on Waste program and 7 things that need to be done to lead a successful project. And then he details the 90 days required to achieve the goal of this book.
