## **Into Oblivion: An Icelandic Thriller (An Inspector Erlendur Series)** Arnaldur Indridason

Loyal readers of Arnaldur Indridason's Erlendur series will be thrilled by *Into Oblivion*, the mesmerizing follow-up to the gritty prequel *Reykjavik Nights*. Here devoted fans will get another glimpse of Erlendur in his early days as a young, budding detective, while also absorbing plenty about Iceland and what makes the place tick.

It's 1979. A woman swims in a remote, milky-blue lagoon. Steam rises from the water and as it clears, a body is revealed in the ghostly light. Miles away, a vast aircraft hangar rises behind the perimeter fence of the US military base. A sickening thud is heard as a man's body falls from a high platform.

Many years before, a schoolgirl went missing, and the world has forgotten her. But Erlendur has not. Erlendur is a newly promoted detective, and he is contending with a battered dead body, a rogue CIA operative, and America's troublesome presence in Iceland. In his spare time he investigates a cold case. He is only starting out, but he is already deeply involved in his work.

The writer whose work *The New York Times* describes as "having the sweep and consequence of epic storytelling," has outdone himself in this multi-layered and masterful novel of suspense.
