## Sex With The Lawyer

Brooke Addison is a successful lawyer in her early thirties. She's driven, ambitious and determined to prove herself in a male-dominated business. In fact, so determined to be made partner in her firm, she has spent the first ten years of her career so consumed by work that nothing else has seemed important. She's had no social life and precious few romantic relationships. One day everything changed for Brooke, as she gets the worst news of her life. She decides it is time to take control of her life and start living in the moment. At a whim she jets off to Europe to see the sights and sounds. Unbeknownst to her the trip begins her journey of sexual self-discovery.

### Sample Of What's Inside!

The second we came together, I experienced a spark; something that had long been dwelling dormant erupted, sending a rampage of warmth to my cheeks. Pulse thrumming in every cell, I felt my fingers begin to tremble as I lifted them to his jacket and clung on for dear life.

My reaction was, I know now, disproportionate to what Lance was doing. It wasn't a frenzied, passionate kiss. It was calm, easy and almost experimental. However, it stoked a fire in my loins that I'd not felt burning for a very long time.
