\*\*He Found Me is the first installment in a two-part series. He Saved Me (He Found Me #2) concludes this story.\*\*

When I was seventeen, I disappeared. I walked out the door of my apartment with a backpack and never looked back. I left the life of Cora Mitchell behind, seeking freedom from my real-life nightmare.

But my freedom came with a cost. I lived a fictitious life for the next six years, never letting anyone close enough to see underneath the façade that was Andra Walker.

I was content with my simple little life.

Until I met Julian.

And the moment I started allowing myself to open up, allowing someone to see through the superficial, was the very same moment the Monster from my past would return to find me.

\*\*Please note: this novel contains mature subject matter. Recommended for mature audiences only.\*\*
