## **How to Talk to a Liberal (If You Must): The World According to Ann Coulter** Ann Coulter

CAUTION: You're about to enter the world of Ann Coulter

*How to Talk to a Liberal (If You Must)*, the instant *New York Times* bestseller, shows why Ann Coulter has become the most recognized—and controversial—conservative intellectual in years. Coulter ranges far and wide in this powerful and entertaining book, which draws on her weekly columns. No subject is off-limits, no comment left unsaid. She even includes a special chapter featuring the pieces that squeamish editors refused to publish—“what you could have read if you lived in a free country.”

In *How to Talk to a Liberal (If You Must)*—which features a brand-new chapter special to the paperback edition—Coulter offers her unvarnished take on:

- The essence of being a liberal: “The absolute conviction that there is one set of rules for you, and another, completely different set of rules for everyone else.”
- Her 9/11 comments: “I am often asked if I still think we should invade their countries, kill their leaders, and convert them to Christianity. The answer is: Now more than ever!”
- The state of the Democratic Party: “Teddy Kennedy crawls out of Boston Harbor with a quart of Scotch in one pocket and a pair of pantyhose in the other, and Democrats hail him as their party’s spiritual leader.”
- The “Treason Lobby”: “Want to make liberals angry? Defend the United States.”
- How far the Left has sunk: “Liberals have been completely intellectually vanquished. Actually, they lost the war of ideas long ago. It’s just that now their defeat is so obvious, even they’ve noticed.”
- And much more
