The message in this book is drawn from a true life experience with a burning desire to introduce to the reader the Lord Jesus Christ, who is the Author and the finisher of our faith and pulls us through life's challenges, for with Him all things are possible.

The purpose of the testimonies in this publication is to engineer and empower the reader with divine strategies for pulling through life's challenges and aligning their will to God's divine will for their lives so that they can achieve their full potential in Christ Jesus.

It is to encourage those who are going through life's challenges never to give up and to always stay connected to God. When you stay in God's presence you stay connected spiritually, physically and in every area of your life. You find that you are able to do things that normally you couldn't do, and you are able to achieve in one day what you couldn't achieve in ages. This is what God can do for an individual who puts his/her trust in Him.
