The Night-Born Jack London

The Night-Born contains ten short stories by Jack London, first published together as a collection in 1913. These writings take place in diverse settings and belong to various genres. The quality of the selections ranges considerably as well. The title comes from a quote by Thoreau which figures prominently in the book's first story, also entitled "The Night-Born," in which a woman relates her epic odyssey in the wilds of the North, fueled by the innate and irresistible wanderlust within her. This particular tale is not an exceptional example of London's work, but it satisfies.
