The Phantom Chronicles: 3 Stories ~ 1 Boxed Set Jennifer Linforth

One man desperate to keep the past from destroying his life. One woman refusing to give up on true love. A legacy that spans decades as the Phantom of the Opera saga continues...

MADRIGAL

Years earlier Erik faked his death and vowed the Phantom would never again haunt the Opera Garnier. But strange packages left by Anna, an unwanted Samaritan turned unlikely friend, cause him to desire the unattainable—to live like anybody else. Battling the nobleman determined to lock him away; Erik must control his demons and tame a heart unexpectedly beating for two opposite women: Christine, who he longs to love, and Anna who he needs to love. In the midst of a brutal manhunt, can he be loved for himself or is he condemned to be The Phantom of the Opera? Murderer, Maestro, Magician, Mastermind...

ABENDLIED

Desiring normalcy is difficult enough with a price on his head, but when Erik is falsely accused of killing Philippe de Chagny, brother of his nemesis Raoul, he is launched toward madness. Only his unlikely companion, Anna keeps his vengeful legacy at bay. But when Anna's violent past is exposed along with a shocking confession by Christine, the woman who still controls Erik's heart, the manhunt intensifies, bringing a ruthless bounty hunter into the fray. The hunter cares little about the Phantom or justice for Philippe and everything about the one he lusts for: Anna. With the past weeping like an open wound, can love endure or will it take memories of one unlikely man to heal them all?

RONDEAU

Still in hiding from the law, Erik and Anna are content and happy living like anybody else. But when Anna's secret past is revealed and she is captured by Raoul's bounty hunter, Erik is forced to avenge her. This time the madness of the Phantom cannot be freely unleashed. Erik must rein himself in for the sake of his genius son and hideously deformed daughter. With few allies in Paris, he turns to the only man who knows the true history between Erik and Philippe—the Persian. Forced to turn over control while spinning out of it, Erik's madness as the Phantom of the Opera takes Paris by storm causing a backlash no one could have predicted.

Two guns. One bullet. And the victim that changes everything ...
