Tabitha has the hots for her sexy boss, Seamus Dooley.

There was something about him that she couldn't quite put her finger on...but her finger wasn't the body part she wanted to meld to him.

Seamus felt the same way about his sultry waitress and bar singer, Tabithia. However, he realized that as the heir to the Fae and Djinn kingdoms, he would place her life in danger if he acted on his feelings.

After Seamus is forced to rescue Tabitha from another otherworldly creature, they both realize they must be together, in an immortal circle of love.
