Although it focuses on Tokyo and Kyoto -- the two Japanese cities that most tourists want to visit -- *Frommer's EasyGuide to Japan* also examines the Japanese locations to which most tourists make day-trips or longer excursions from the two must-sees. Enjoying a far more favorable exchange rate than in recent years, the now-moderately-priced Japan is enjoying a major upswing in its incoming tourism, and our experienced author of many previous guidebooks to Japan has made it even easier to enjoy, easier to understand, easier to tour, in a concise "Easy Guide" designed to fit into pocket or purse.
