It might masquerade as oh-so-simple, but Craps is one of the most complicated gambling games in any casino. It's all about the betting - and if you don't have the skill and knowledge to control the bet, you stand to lose thousands of dollars at the table.

Losing far more games than you win? Then you've come to just the right place.

Hi, I'm Kevin, an expert casino player with years of experience and hundreds of thousands in craps earnings to back that up.

But I wasn't always like that.

I started out just like you.

I loved the game and found all the little details absolutely fascinating, but I didn't know how to put it all together. I was losing hundreds of dollars every time and I simply couldn't work out why. What could I possibly be doing wrong, when all you have to do is toss a couple of dice across the velvet?

I wanted to understand what makes this game so mind-bogglingly intricate, but nobody was able to tell me. That's why I've written this book - because through years and years of experience, I've come to understand this game better than anyone else. And I'm willing to share what I know with you.

Give me ONE day and I'll help you win TEN times more Craps games

And I'll do it for the price of a glass of beer. Even if you've never before played a game of craps, I can show you how to turn your worst losing streak into the pile of chips you've been dreaming of.

Winning at Craps is possible, even if you're a complete beginner

I'll show you how to bet like a pro, learn the lay of the land and understand what you've been missing all this time: what it takes to win a game of Craps.

Within this guide, you'll find:

- A beginner's guide to all the lingo you'll hear thrown around at the Craps table.
- The rules of the game in details, whether you're at the casino or playing with friends.
- Betting strategy in outline, as well as the systems you can use to boost your chances.
- How to create a betting pattern that will actually help you win.
- And a whole lot more...

If you don't read this guide, you could lose THOUSANDS of \$\$\$

Craps is a high stakes game. If you're not playing properly, you stand to lose hundreds or even thousands of dollars in a single session. I want to help you avoid that fate - and I can, with the guidance in this book.
