## **Martini Man: The Life of Dean Martin** William Schoell

*Martini Man* goes beyond the simple caricature of the boozy lounge singer with a penchant for racy humor to reveal the substantive man behind that mask. Although Martin's movie roles receive in-depth attention in this incisive biography, as does his career-defining partnership with Jerry Lewis, details of Dino's personal life also abound, such as how Shierly MacLaine dropped by his house "to tell Dean she was in love with him- even though his wife was in the other room." William Schoell's chronicle is a sympathetic portrait that recreates the life and times of one of America's favorite entertainers.
