My Mom is a Ninja! (Kids "Ninja Mom" Adventure Books, for children age Book 1) Scout Walker
My name is Alfred Potts, but everyone calls me Freddy. I'd like to tell you about some strange adventures and happenings which have been going on at my house recently.

I'd heard rumours of parents being trained as Ninjas in order to torment their kids when they were only going about their normal day. You know, doing stuff that kids like to do when their parents backs are turned..

Little did I know that when my Mom caught me out using her secret Ninja training, the rumours became a reality!

If you think your Mom is normal,

That she couldn't possibly have any secret powers,

Then think again.

Read the first short story in the "Ninja Mom" Adventure Series to discover some of the secret abilities your Mom may be hiding so kids like you and me can spot them . . .

This book is suitable for children age 5 and up and quite a few adults too..
