Fans of Maya Banks's KGI series will love this explosive new romantic suspense series from Nico Rosso, featuring black ops agents and the women they'll do anything to protect Former Special Forces agent Artem "Art" Diaz is tattooed, muscular and undeniably dangerous. He's also deep undercover, posing as mob muscle for a deadly *bratva* boss. His mission: gain the Russians' trust. Then lead the strike team that will take them down. Chef Hayley Baskov knows better than to get involved with someone with such close mafia ties, but the handsome bodyguard who brought her to this sprawling estate full of ruthless mobsters is inexplicably kind. A little flirtation may keep her safe amid the growing menace. As Art's timetable for action escalates, so do his encounters with Hayley. Stealing what illicit pleasure they can keeps them both sane in the face of evil. But when things get dangerous, Art has to tell her about his assignment, bringing her deeper into the shadowy world of black ops...and putting her life on the line. Now Art has a new objective: protect Hayley from the men who'd see them both dead. *Book one of the Black Ops: Automatik series* 75,000 words
