Doing The Impossible - Part 2: God Manifesting His Supernatural Power through You! Rudi Louw

I really do believe that God has a life full of the miraculous in mind for each and every person who has grasped the fact that they are indeed the sons of God.

The Scriptures are not an instruction book for us to just kind of make it in life; to just kind of keep our heads above the water and to just sort of live and barely rise above our problems in a small meager measure, but God's Word, the gospel, made known there in the Scriptures, guarantees the life of the overcomer to the believer. God says that we are more than conquerors. God wants our lives daily to testify of victory upon victory upon victory, amen, I really believe this!

God doesn't intend for any of us to live in the frustration of constant defeat, and the frustration of just not being able to make ends meet, and just not quite being able to live that life more abundantly He had in mind for us from the beginning!

I say again, the Scriptures are not an instruction book for us to just kind of make it in life, no it is a book written in order to break open new revelation for us into our sonship; it's an instruction book into our sonship in order for us to be able to lay a hold of our full inheritance as children of God!
