Gatos ilustres (Spanish Edition) Doris Lessing

#### Un homenaje literario a los gatos de la mano de la Premio Nobel de Literatura Doris Lessing.

# En esta edición ilustrada por Joana Santamans, la aproximación personalísima, sobria y sensual de la autora al mundo de los felinos se viste de elegante modernidad.

El amor de Doris Lessing por los gatos viene de lejos. *Gatos ilustres* se abre con las experiencias de la gran autora en la granja africana donde se crio y nos lleva hasta su vida adulta en Londres, en un viaje a través de los continentes y de los años que tiene como hilo conductor a muchos de los gatos que formaron parte su vida.

Agresivos algunos, muy dignos otros, todos en busca de atención, estos animales corrientes se convierten en criaturas extraordinarias bajo la mirada atenta de Lessing.

Las ilustraciones de Joana Santamans dan el último toque de gracia a un texto que en sí mismo es una auténtica delicia literaria.

«Un gato es un auténtico lujo... lo ves caminar por tu habitación y en su andar solitario descubres un leopardo, incluso una pantera. La chispa amarilla de esos ojos te recuerda todo el exotismo escondido en el amigo que tienes al lado, en ese animalito que maúlla de placer cuando le acaricias.» **Doris Lessing**
