The match-making papa bear is at it again!

Scott Weston is tired of his father's attempts to set up his bear shifter sons. As the workaholic manager of a premiere resort, Scott would rather focus on business than showing a date around the island. But when he shows up to meet the latest match his father has tricked into flying out to the island, he's surprised to meet Mara, a beautiful, curvaceous artist who he just can't leave alone. Especially when he finds out she's in danger and needs his help.

When Mara Frost accepted a free Caribbean vacation, all she wanted was a two-week break from her lonely life in New York and the stalker who is trying to make her life hell. She isn't sure what to make of Scott Weston, the sexy businessman assigned as her guide. She just knows that with him, she feels safe for the first time in a long time. But she also knows that for Scott, work always comes first.

But as the relationship grows, Scott is realizing there is more to life than hiding in your work, and Mara is realizing that sometimes you have to take a risk and trust someone if you want them to help. But can the two work out their differences before Mara's stalker catches up?
