Prophecy of the Six (Prophecy Breakers) (Volume 2) Sheena Boekweg, Melanie Crouse, Sabrina West
We didn't know how much we had to gain by being infected with magic. We found a purpose, we found a destiny, and we found each other. But California isn't the new start we were promised. Dr. Child may be gone, but now we must face a military school, dangerous secrets, and a prophecy that has half the country wanting us dead. When the line between enemies and allies blurs, Sam, Juliette, Ana and I need to choose between love and sanity, between magic and survival. Paradise has a cost. When the authorities are suddenly giving you whatever you want, they're going to demand everything in return. And that's a price not all of us are strong enough to pay. Freedom feels like safety, but it's not. There are no walls here. No place they won't be coming for us. No place we won't destroy.
